

2016 Graduation Edition

We are very proud and privileged to announce that 12 of our former foster youth graduated in the past year.

- 7 students are University Graduates, with 3 of them entering graduate programs.
- 2 students graduated from Community College and transferred into Universities.
- 1 student earned her high school diploma and will start community college in the fall
- 1 student completed his welding certification program
- 1 student earned her Master Degree in Public Administration.

This is an amazing accomplishment, which we celebrated at Lake Avenue Church in Pasadena on July 9th. More than 50 program participants and guests attended the graduation event. The 12 graduates were invited to the stage to say a few words about their huge accomplishments. Their speeches were heartfelt and reminded us of the importance of the work and dedication that it takes to accomplish such a significant goal.

Graduation is an amazing accomplishment for these

young adults. Statistically, less than 50% of foster youth graduate high school. Only 10% attend college and less than 3% graduate from college. With support from the team at Journey House, each of these students showed the strength to beat the odds and complete their education.

The team at Journey House is incredibly proud of each and every one of these graduates. Some received financial assistance from Journey House for tuition, book purchases, rental assistance, and other expenses to cover the costs of attending college. More importantly, they all receive emotional support and were able to find a sense of family and belonging at Journey House. They call and vent about their frustrations with teachers and assignments, roommates, and relationships. They come to Journey House because they find comfort and sense of home that most have never had.

We are proud to be a part of the lives of each of these graduates. With your continued support, we will be able to help many more former foster youth complete their education and make a successful transition to being a productive and valuable members of the community.

Special Thanks

We particularly want to thank Lake Avenue Church, especially Claire Wiggins and Maya Macedo-Nolen of their Community Outreach Ministry, for the use of their meeting room. Their generosity gave us a very comfortable and private place to host a graduation party. Thank you

We also thank Miguel Torres for videotaping the event and taping individual interviews with each graduate. You can see the video on our website JourneyHouseYouth.org

Learning Works High School
Pasadena

John Chang

Bachelor Degree in
Neuroscience
UCLA

SAVE THE DATE NOVEMBER 2, 2016

Journey House is having another dinner fundraiser. As last year, the program will be orchestrated by our former foster youth participants. Each table will again include 2 youth, so guests can discover, in a very personal way, what life is like as a foster child – now as an adult.

We will also duplicate our successful silent auction. Please feel free to donate something to this auction. New this year – a cash prize raffle to help support college expenses. Invitations will be mailed in early October.

For more information, please call 626-798-9478

Journey House Endowment

Our endowment, managed by the Pasadena Community Foundation, is in its second year and is growing every so nicely. The purpose of the Endowment is to provide a permanent source of financial support for our future college and vocational students. The need to support young emancipated foster youth will be never end. To contribute to this worthy endowment, please send check to Journey House with "Endowment" written on the subject line.
